Planting is a routine activity performed in this game to make money. The higher the level, the more types of buildings you can create. New areas can also be explored after you meet certain requirements such as building bridges. Smurfs Village can be connected to a Facebook account and will automatically add other villages belonging to your friends playing this game. You can visit each other every day to get bonuses. Papa Smurf and several other Smurfs also offer mini-game prizes that you can play every day. Smurfs Village has a retro or old-fashioned look. But for those who have read the comic book version, they certainly won't mind because the image quality is exactly the same as the cartoon that was published decades ago. Music and sound effects are good enough to support the game. This game was released in 2010, but it is still pretty good even if it is played today. The weakness of Smurfs Village is the local data storage system. But it is also an advantage because it means that this game can be run in total offline conditions. Conclusion Using the Smurfs Village cheats will help your progress. Unlocking the VIP Store will allow you to buy many items in there. There are over a hundred items available for purchase.
